

Charity News

Recipients of donations from our metal recycling process in 2018 were The British Lung Foundation and The Teenage Cancer Trust whose representatives attended our Carol service and were presented with cheques for £1500 each for their charities.

Also on the night, staff member Amber's Mum, Gail Smith, brought along some children from a charity she aids called VIP Arts & Sports Academy (pictured right) where under privileged children in and around Glasgow are supported with activities including gymnastics and dance.

The children attending helped us greatly by bringing a little bit of added joy to our special night by singing carols and offering cards and service sheets to the families attending.

Due to the generosity of families attending, we were also able to offer a cheque to Gail for £521 for the VIP Arts & Sports Academy charity.

A very successful and extremely busy night!

West Lothian is Centre of Excellence

We were extremely proud to be nominated 'Centre of Excellence' for our company in 2014.

Since this time, Darren, who has undertaken this role since its beginning, has supported 65 trainees through their technical training, resulting in 100% success rate on passing their cremator operators tests.

As the company grows, further unique mentors are being sought to continue with this important process.

Team West Lothian

West Lothian's newest team in year 9 – A strong, experienced team who continue to support the families and funeral directors throughout their locality and beyond with empathy, care and understanding.

They are always professional in preparing and helping to deliver a high standard of service to families and customers for funerals and memorialisation, and the continued development of our grounds, ensuring a peaceful and tranquil setting for all.

Improvements

Great news! This year we are adding a much needed extended shelter to our exit from the chapel ensuring our customer needs are met. We are also upgrading the public toilets with new flooring, radiators and hand driers ensuring we continue with our high standard of service to the public.
